REQUEST FOR CORRECTED FILING RECEIPT

Commissioner for Patents
Washington, D.C. 20231

January 17, 2002

Sir:

Applicants request a Corrected Filing Receipt in view of an error in the original filing receipt. More particularly, the title of the application has a typographical error. A marked-up copy of the filing receipt showing the error in red ink is attached for the convenience of the Office.

Issuance of a corrected filing receipt showing the correct title is requested.

It is not believed any fee is payable for issuance of a corrected filing receipt because this error is clearly the fault of the Patent Office, as demonstrated by the attached copy of the inventors' declaration. Nevertheless, the Commissioner is authorized to charge our Deposit Account No. 50-1258 in the amount
